Dear Dorothy:

Your letter addressed to the American Numismatic Association was received by us because of the Grandview, Missouri address. We are taking the liberty of enclosing a "Request for Award" form for your use, and hope that this will cut down on the delay for requesting the Certificate for Mr. Pasvolsky. This should be forwarded to Jack Koch, Executive Director, ANA, P.O. Box 2366, Colorado Springs, Colorado 80901. He will have the Educational Award forwarded to you as quickly as possible.

We are also enclosing the National Coin Week information which may help acquaint you with another important ANA program. There is no charge to member clubs for the Educational Awards or the Coin Week program.

If we may be of further assistance, please don't hesitate to let us know. Best wishes for success in all your numismatic endeavors.

Sincerely yours,

Rick & Virginia Bronson

Dear Mr Koch:

In behalf of the Tri State Coin Club of Hamilton, I am writing you to ask if we can obtain an educational certificate to show our appreciation to Mr. Valentine Pasvolsky.

Mr Pasvolsky whose home is at 241 River Avenue, Lakewood, N.J., took it upon himself to make two trips to and from New Jersey, free of charge, to show his coins to the public and parochial schools of Hamilton. Our club was so impressed that we voted that he have a life membership in the Tri State Coin Club.

We would appreciate an early reply, and please send both the bill and the certificate to me.
